DETAILED ACTION

Allowable Subject Matter

1. Claims 1 – 3 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record discloses a rifle mount comprising: a support which includes first **12** and second **14** crossed legs; a fastener **26** pivotally coupling the first leg **12** of said two crossed legs to the second leg **14** of said two crossed legs; a first arcuate support base **11** on the first leg; a second arcuate **11** support base on the second leg; a strap anchor ring **28** on said fastener **26**; and support strap **33** attached to the strap anchor ring and which is sized to fit around a neck of a user. However, the prior art does not disclose nor fairly teach the support bases having convex first surfaces and concave second surfaces.
3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
